THE EXPERIENCE

THE Y
The YMCA of South Palm Beach County's mission is to put Christian principles into practice through programs that build healthy spirit, mind and body for all. The YMCA welcomes and respects all races, nationalities, abilities and religious beliefs in our programs.

THE TEACHING
Our curriculum philosophy is based on the Creative Curriculum, which respects the ideas, interests and development of each child. Class projects and emergent themes are developed through collaboration of the children in a rich environment, which provokes exploration, curiosity and creativity.

THE LEARNING
Literacy, language development, mathematics, science, gross and fine motor skills and swim instruction* are integrated into the curriculum. Our program encourages exploration, creativity and self-expression through developmentally appropriate activities. Child-guided learning experiences that support healthy spiritual, intellectual and physical development.

THE STAFF
YMCA staff members portray positive role models while providing care, which is supportive, nurturing, warm and responsive to each child's needs. YMCA character values of caring, honesty, respect and responsibility are incorporated into our daily curriculum.

***SWIMMING INSTRUCTION IS INCLUDED IN TUITION!**

STRONG MINDS
Children's Services Council considers improving the quality of early care and education and afterschool programming of vital importance. The Strong Minds Network is Palm Beach County's new Quality Rating and Improvement System as of 2015. Our Y is proud to be a part of this process and is rated a Tier 1 program.
