Adventure Guides

Parents:

Are you looking for a program that will provide activities for you and your child to enjoy together? The Great Sun Nation - Adventure Guides program provides you with many fun outdoor experiences. The groups typically meet once a month at a member's home. Meetings provide time to socialize with other parents and kids, while enjoying crafts, stories and music. In addition to monthly meetings, there are exciting "Nation" events throughout the year. Make time for your child now. They will be grown before you know it.

Are you interested? Here is what to do next:

- You may sign up immediately whether you are a YMCA member or not (cost is minimal). A registration form is available by contacting us or visiting the Peter Blum YMCA of Boca Raton.
- For more information you may contact any one of us (via phone numbers and email addresses on this flier).
- You can visit one of our events to "check us out" (contact us for dates/times).
- Talk to your friends to see if you want to join as a group or let us place you with a group that fits you and your child.
- Once you and your child sign up, you will have the option of joining an existing or new "circle". Circles usually have eight to 15 parent/child members and may meet monthly, as well as participate in Great Sun Nation - sponsored events throughout the year.
