Aquatics	Aquatics exercise classes are a valuable and effective alternative to "land" programs. Aquatics exercise reduces impact on joints, increases strength and improves flexibility. All fitness levels of swimmers and non-swimmers are welcome! All programs use the properties of water fitness equipment to create muscle strength, flexibility, and endurance.		
Arthritis Plus	This YMCA/Arthritis Foundation class is designed for those individuals who experience muscle and joint aches that result from arthritis. Classes are taught in a group setting with activities exercises to encourage strength, endurance and flexibility. This is a PAID PROGRAM. Swimming ability not required. All levels.	Deep Water	This deep water, gravity-free exercise class provides a wide variety of benefits including cardiovascular endurance, muscular strength, flexibility, and coordination. Pushing and pulling limbs against the resistance of the water can assist in building strength without stress on the joints. Participants will wear a floatation belt, a great choice for anyone with sensitive hips, knees or backs. Swimming ability required.
Aqua Aerobics 1	Start your day off on a bright note working on cardio, strength, flexibility and muscular endurance. This class uses both deep and shallow water movements to build a cardiovascular workout. We apply the properties of water to strengthen muscles, enhance flexibility and posture, and sharpen coordination. Use of water weights, noodles and gloves enhance your workout. Swimming ability not required. All levels.	Stretch & Tone	A gentler workout, easy on the joints. To increase strength and flexibility using the properties of water. Using the buoyancy, resistance, and movement of water to strengthen muscles, enhance flexibility and posture, sharpen coordination and balance, and relax body and soul. Swimming ability not required. All levels.
Water Walking	Bring your walking inside. Water relieves the stress that is normally associated with dry land aerobics. Low impact workout focusing on gentle water exercises to improve range of motion and increase flexibility. Swimming ability not required. All levels.		
Cardio	Cardio classes increase heart rate, improve your overall cardiovascular & respiratory fitness and burn calories. Known for being upbeat and may incorporate step risers, dance, aerobic moves, punching bags, and bikes.		
Cardio Blast/Express	Enjoy a high tempo class that will quickly burn calories and get your heart rate going.	Zumba/Zumba Kids/Zumba Parent Child	Zumba classes fuse Latin rhythms and easy to follow moves to create a dynamic fitness party. The routines feature interval training sessions with fast and slow rhythms that incorporate Latin and International dances such as salsa, mambo, cha cha, meringue, regaton, samba, belly dance, hip hop and more.
Cardio Cycle	Bring outdoor cycling indoors in the Y's cardio cycling class. Low impact or high intensity, it's up to you. Your heart will pump, calories will burn and you'll leave feeling re-energized. Instructors help with proper body alignment and cycling techniques.		
Combination	Offer cardio and strength elements in one class. Busy schedules and obligations often force us to limit the time we spend exercising so we designed fitness classes that are both efficient and effective in burning calories, increasing muscular strength and endurance and giving you the variety you need to stay motivated.		
Cardio Kickboxing	Kick, punch and crunch your way to fitness with this high energy class!	Senior Aerobics	Cardiovascular workout geared for the older adult.
Get Pumped	Improve strength, flexibility, and balance using body awareness.	Spin-N-Sculpt	The best of both worlds. Get a great spin workout in AND sculpt your muscles. This class is a great way to get on track to reaching your fitness goals!
Golden Fitness	Strength and cardio designed for the middle age to older adult.	Step-N-Tone	Step your way to great glutes and legs with this energetic step class.
Sculpt-N-Kick	Sculpt lean & toned muscles in this high energy class!	Zumba Strength	Zumba Strength classes fuse strength elements with Latin rhythms and easy to follow moves to create a dynamic fitness party. The routines feature interval training sessions with fast and slow rhythms that incorporate Latin and International dances such as salsa, mambo, cha cha, meringue, regaton, samba, belly dance, hip hop and more.
Spirit, Mind and Body	Improve your physical fitness, but allow quiet time for reflection and stress reduction. These classes generally focus on breathing control, flexibility, balance and mental focus.		
Chair Pilates	A low impact form of Pilates utilizing a chair that is safe for all levels.	Slow Stretch	30 minutes dedicated to lengthening your muscles.
Mat Pilates	This class is a fabulous introduction to the phenomenon of Pilates! It is designed to increase "core" strength, improve flexibility, coordination and balance without adding bulk.	Yoga/ Hatha Yoga	Reduce your daily stress! Strengthen your spirit, mind and body in this no impact approach to exercise. The class is perfect for everyone. Don't forget your firm blanket or yoga mat and comfortably fitting clothes.
Pilates/ Ultimate Pilates	This class takes participants to the next level in the practice of Pilates. Challenging exercises designed to further improve core strength, balance and overall flexibility will be introduced and mastered.		
Strength	Strengthen and condition muscles as you incorporate dumbbells, barbells, body bars, bands, medicine balls, etc. Some classes may only utilize your own body weight to create resistance.		
Body Sculpt	Sculpt lean & toned muscles with this fat burning class!	Functional Training	Strength and cardio class designed to help with the ability to do your day-to-day tasks. Designed for the older adult.
Foever Fit	Designed for the middle aged to older adult, this class will offer the participant a safe, fun and effective workout that is simple to follow. Increased cardiovascular capacity, improved overall strength and range of motion are just some of the benefit enjoyed in this class.	Ultimate Conditioning	Gain upper and lower body strength while you chisel away at fat and tone your muscles.
