Dear Parent(s) and Campers,

Thank you for allowing us the opportunity to share this camping season with you and/or your child. The Y.M.C.A. has been America's favorite camping program for over 100 years. It is this strong heritage that makes the Y.M.C.A. a leader in camp programs.

The Peter Blum Family Y.M.C.A. Camp staff is looking forward to another exciting and fun-filled summer. Each of our camp counselors are trained specifically to meet the needs of various age levels and abilities and are required to complete the 40 hour Y.M.C.A. camp training course. They must also hold current Y.M.C.A. CPR and First Aid/AED certification. Our staff is here to help you and we welcome any suggestions you may have in order to better serve you.

We would like to take this time to introduce you to the Day Camp Leadership team running camps this summer. Bryan Hunt, Family Services Director, has been with the Y.M.C.A. Association for over 8 years. He has an extensive background in camp programming and enjoys letting kids be kids. Bryan oversees the Performing Arts/Art Camps and Traditional Camp. Jennifer Daratany, Aquatic Director has been programming aquatic activities for over 5 years. She enjoys experiencing the curiosity and excitement of children learning and improving their aquatic abilities through the camps we offer. Jennifer oversees all aquatic camps. Fernando Valenzuela, Sports Director, has been programming sports for over 16 years as well as coaching at FMU College. He enjoys watching kids build character through youth sports. Fernando oversees all sports camps.

It is our goal to provide a safe and enjoyable camp experience for you and your family. If you have any questions or concerns, please contact us at 561-237-0949.

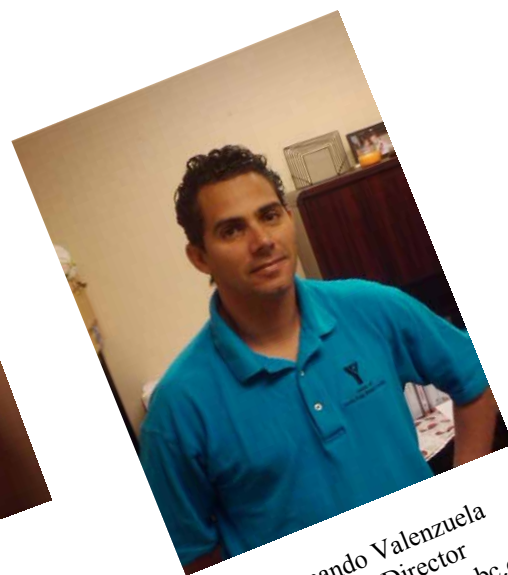

*Sincerely,
Peter Blum Family Y.M.C.A. Day Camp Leadership Team.*
