Introducing the Peter Blum Family YMCA's Friendship Place, a playground for every child.

A unique playground has been built on the campus of the Peter Blum Family YMCA of Boca Raton. Friendship Place allows children with and without disabilities to play and learn together with all barriers to access removed. Even parents and grandparents with physical challenges will be able to be a part of the fun.

The playground is a learning environment for all children. The play equipment is specially designed to encourage independence and self-direction for children with a wide variety of abilities and disabilities.

All YMCA visitors can enjoy boundless play.

The playground is available to preschool, after school and summer camp program participants during program hours, Monday through Friday from 7:30 a.m. until 6:30 p.m. At other times, anyone can enjoy the playground, including community children and families who visit the YMCA to participate in programs.
