# INTERESTED IN VOLUNTEERING?

## TRY TOGETHERHOOD™

**TOGETHERHOOD™** is the Y's member-led volunteer service program. It unites members and neighbors from diverse backgrounds to plan and lead community service projects. Together, we're building a better us!

### Through TOGETHERHOOD:

\* Neighbors and community partners are engaged in our cause and work side by side to identify and address needs in the community.

\* Members enhance their well-being, forge new friendships, and discover a greater sense of purpose.

\* The Y nurtures meaningful friendships among people from diverse backgrounds to contribute to a stronger and more inclusive society.
