

Facial Mask/Covering Policy

For the safety and well-being of our fellow members and Y staff, at this time, we require all members within the facility to wear a mask or other facial covering in all common areas.

Facial masks/coverings should be worn:

- Entering/Exiting the Facility
- At the Front Desk and Check-in Area
- In Hallways and Restrooms
- On the Pool Deck
- Passing through to Designated Areas to Work Out

Masks are NOT required to be worn while exercising.

Thank you for your cooperation and compliance.

For a better us.
