# MEET OUR BOYNTON STAFF

**Martha Cross**  
Aquatics Coordinator  
DeVos-Blum Family YMCA

**How long have you been with the Y?**  
I have worked at a YMCA for over 35 years. One of my first jobs was working as a lifeguard at a YMCA in Columbus, Ohio. I have also worked at YMCA's in the Metro Atlanta Area of Georgia.

**What did you do before working at the Y?**  
Is there any other job besides the Y? I started when I was 16 and have worked in some capacity at a YMCA since. I did work in the Columbus Public Schools as a substitute teacher for a couple years and Columbus Recreation and Parks pools.

**What has been your favorite part about working for the Y?**  
My favorite thing about working at

the YMCA is the variety of areas I have been involved with over the years. My primary focus has been in aquatics but I have had an opportunity to be active with membership, camp, youth sports, teen leadership, Pre-school, Silver Sneakers, and even art classes.

**Who inspires you?**  
My father Thomas Maurer (92 years and going strong)

**THANK YOU** to our generous sponsors and committee for making our 19th Annual YMCA of South Palm Beach County Inspiration Breakfast a HUGE success. This year the Y hosted more than 500 guests and raised a grand total of **\$289,321** to support youth in our community!

# YMCA TRIANGLE SOCIETY RECEPTION

Kathy & Paul Adkins

Chris & Elizabeth Warren

Our Y's 3rd Annual Triangle Society Reception was held at the Royal Palm Yacht and Country Club on April 29, 2021. These generous individuals, businesses, and community organizations donated \$1,200 or more to the YMCA over the past year or during the Annual Giving Campaign. These donations enable the Y to enrich and expand our mission of working with young people, and to remain on the cutting edge in meeting human service needs throughout our community. This support also makes it possible for families and individuals, regardless of their financial means to participate in Y programs for youth development, healthy living and social responsibility.

This event was generously made possible by Chris Warren, past Chief Volunteer Officer of the YMCA of South Palm Beach County Board of Trustees, and his partners at Lawless, Edwards & Warren.

For more information or to join the Triangle Society, please contact **Kimberley Trombly-Burmeister** at **561-300-3238** or visit **YMCASPB.ORG/TRIANGLE**
