The Y TIMES

FALL 2021

FOREVER with OUR COMMUNITY.

The YMCA of South Palm Beach County is a non-profit organization that has been serving individuals of all ages, backgrounds and abilities for more than 49 years. However, we could not possibly do this without continued support. Each year our members, staff, volunteers and

friends pledge to raise money through our Annual Giving Campaign, which enables the Y to turn NO ONE away due to their inability to pay. 100% of contributions to our Annual Giving Campaign supports our Y's Financial Assistance program, which allows us to provide programs such as Youth Sports, After school care, Swim Lessons, Camp, Teen programs, Preschool and more to those in need, giving children a safe place to learn, grow and build confidence. Annually, our Y

provides over \$1 million dollars in programs and services back to the community. This year, we ask you to join us in making an impact by considering a donation to our Annual Giving Campaign. Your support will help our neighbors in need continue to receive the programs and services they need to thrive.

MEET OUR DEVELOPMENT DEPARTMENT STAFF

Heather Dupree
Coordinator of Special
Events & Projects

How long have you been with the Y?

I am very new to the Y. I started just this past May, 8 days before Inspiration Breakfast, so I am at almost 3 months.

What did you do before working at the Y?

Before working at the Y I spent 15 years working in Country Clubs. Right out of college I started at Boca West Club as the Golf Tournament Coordinator. After 10 years at Boca West, I decided I was ready for a change and a little more normal of a work schedule and found myself as the Public Relations/Marketing Coordinator for Boca Grove Golf & Tennis Club. During my 5 years at Boca Grove I ended up in a

variety of positions, including going back to my golf roots and being the Tournament Director and Retail Buyer for a short time and then finished out as the Executive Administrator and Property Manager.

What has been your favorite part about working for the Y?

I have so many favorite parts so far in my short time at the Y, so I will give a few. In my position in the Development Department, I love what we do to give back to the community through financial assistance and events to make sure everyone is included in our programs, no matter who they are. As a mom, I love the family aspect that comes with being a part of the Y.

Who inspires you?

My mom. My mom is a retired Lutheran school teacher and a recent ovarian cancer survivor. She taught me how to live in faith, show patience at all times and give without expecting anything in return. She is always there for our family no matter what. I strive to be like her every day as a mother, wife, and community member.

Where is your favorite place in the world?

Anywhere that includes my husband and 2 daughters. No matter where I am, as long as they are there it is my favorite place to be.

You and a friend are invited to join us at the Boca or Boynton Y for our Annual Giving Campaign Kick-off Party!

The YMCA of South Palm Beach County will host its 20th Annual Inspiration Breakfast on March 2, 2022 with Basketball legend, Bill Walton as our keynote speaker.

Bill Walton is best known for his success on the court as the nation's top college basketball star at UCLA and playing for two NBA Championship teams - the Portland Trail Blazers and Boston Celtics. Walton was inducted into the Basketball Hall of Fame in the 90's and was named to the "50 Greatest NBA Players of All-Time" list.

Chaired for the third year in a row by Boca YMCA Board member, Alex Price, this signature event helps change lives as proceeds benefit our Y's Youth Programs.
